PAY LESS than a deposit and say **GOODBYE TO THE HASSLE** of waiting for it to be returned at the end of your tenancy.

With a total cost of just **£198**, you save, on average **£300** compared to a traditional deposit!

Simply secure your house with an initial payment of **£99** then, make one more payment of **£99** when you make your first rent payment.

With NoPosit you get:

- Enhanced Gallagher insurance package including:
£5,000 Accidental damage to landlord's fixtures & fittings
£400 Bike cover
£2,000 Laptops & tablets cover - inside & outside your home
- Automatic entry to our regular competitions
- Access to offers and discounts from the UK's biggest retail brands with free membership of our exclusive discount club, with average yearly savings of **£400+**
When it's time to move out, you'll only pay if there's a problem you're responsible for*

NoPosit is a membership product, therefore not refunded at the end of the tenancy.

**You are still liable for any damage and for the condition of your house when it's time to leave. But with NoPosit, instead of deductions being made from your deposit, your Gallagher Insurance covers you for any accidental damage (£50 excess applies to each new claim & insurance does not cover any malicious damage). T&Cs apply.*
